Programmes

March 2020 - March 2021

Annual General Body Meeting - December 18th 2021

Kerala Academy of Sciences is a premier professional organization of scientists, academicians, doctors and technocrats, instituted in 1989 with the main objective of creating an integrated approach towards popularization of Science.

Despite the restrictions of COVID 19, KAS could organize several programmes including National/International seminars, Memorial lectures, Endowment lectures, Important Science and Technology day observations, during 2020-21.

During the period the academy has 588 life members and your cooperation and support for the activities of KAS are thankfully acknowledged and request to extend your esteemed services to the Academy in the forthcoming activities as well, so that the academy could fulfill its goals and reaches to greater heights, visibility and fame.
